

How To Fund A Phantom Wallet With A Credit Card

To purchase an NFT from the Iditarod 5000 collection, you will need Solana (SOL) currency. You can easily do this within your [Phantom wallet](#) using MoonPay. Follow the steps below to fund your Phantom wallet. You will need your driver's license and a card for payment.

If you have a wallet already but you're not sure if it's Solana compatible, click [here](#) to check.

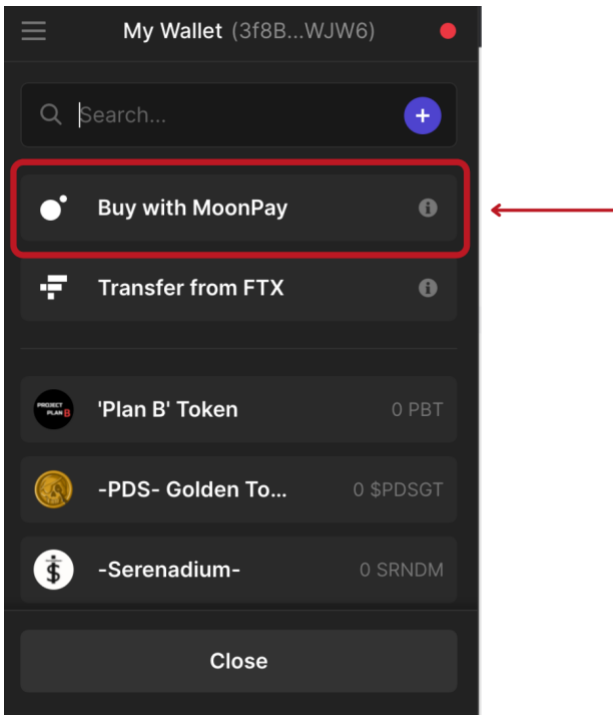

After getting a Solana wallet set up, you will need to fund your wallet with SOL to purchase an NFT. Each NFT costs 2.5 SOL but you will need to buy 2.6 SOL total to cover the small network fee.

Step 1: Open your Phantom wallet and select 'Deposit'

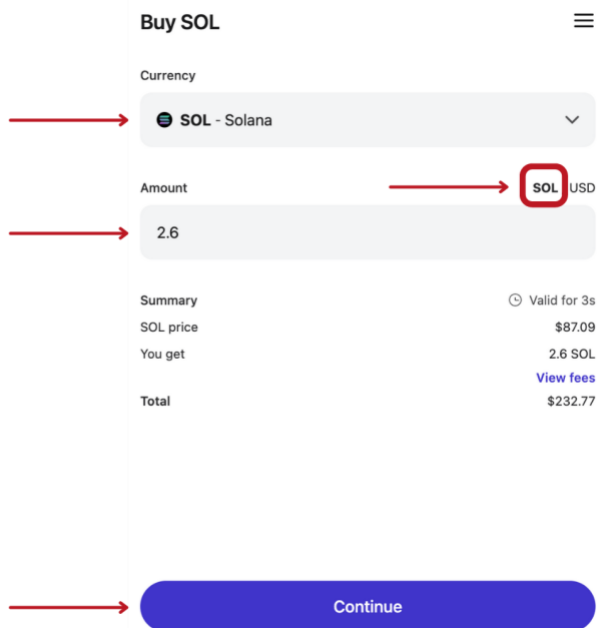

Step 2: A selection of deposit options will display on the screen. Select 'Buy with MoonPay'
